

ISEA 13 Seventh Announcement

Dear ISEA13 participants,

Below please find useful information for your participation at ISEA13.

1) Transportation. If you arrive at the Jorge Chavez Lima Airport between March 09 (Friday) and March 13 (Tuesday) and you send us your itinerary, there will be a person from the ISEA13 LOC waiting for you outside customs. This person will be easy to identify, he/she will have an ISEA T-shirt, an identification card, and a signboard with ISEA13 logo. This person will help you either arranging a taxi to your hotel or taking you to the bus that will bring you directly to Paracas. We recommend you not to take a taxi by yourself.

Check the group transportations at:

<http://jro-app.igp.gob.pe/isea/pdf/transportation.pdf>

In case you need further assistance you can contact us:

Marco Milla +51 993488070

Angela Calle +51 995664874

2) Oral presentations. They will be collected before each sessions. Speakers are responsible to give their presentations to the support staff and/or the conveners/chairs of each session. For speaker of session 3 (the first session on Monday morning) you could send a copy of your presentation to our support staff Phillyps Bravo (phillyps.bravo@jro.igp.gob.pe).

3) Handy information. More information can be found in the attached file (available at http://jro-app.igp.gob.pe/isea/pdf/ISEA13_handy_information.pdf)

Looking forward to seeing you in Peru,

13th International Symposium on Equatorial Aeronomy

Paracas-Peru, 2012
