

## **Share Chocolate JRO**

As part of activities marking the 50th anniversary on Thursday, December 22 Christmas was celebrated Chocolatada ROJ 2011 at the Jicamarca Radio Observatory. The day began at 11 am and was full of activities that characterize us as a family Jicamarca. The morning was games sports with volleyball, football and table tennis.

Some guests arrived to Observatory as Ramon Illma ex Jicamarca, Cesar La Hoz, Santos Villegas, Jimmy Lao and Marita Villaverde, who accompanied us to enjoy a rich Pachamanca and a pleasant lunch with laughter and anecdotes.

After lunch, we had a space science through a tour of the Museum of the RED led by Otto Castillo and Fernando Villanueva. This project showed those instruments that were used in the early years of ROJ. The exhibition was in the lobby of Observatory and in the Library. Dr. Ronald Woodman said historical data and anecdotes about the first computers arrived at Jicamarca and Peru.

After the tour, we had a screening of videos made by our colleagues. Miguel Lara presented his video CIELO, which recounts the experiences of his work in the Optical Observatory . Mary Castillo, presented a short video about the times I enjoyed the activities and events held during 2011 for the Anniversary. And finally was shown the video by Antonio Dalmao, former Jicamarca, with all photos of Contest "Identity and History of JRO".

Completed the videos, we continued with the recognition of The Bests of Year 2011 chosen by the heads of each area and the delivery of a diploma. Those elected were:

Kuyeng Karim, Staff.

Miguel Lara, HEAVEN.

Rafael Tadeo, Operations.

Daniel Suarez (for the second consecutive year), I & D + i.

Edilberto Carlos, Administration.

Mary Agnes Castillo, Special Reconocimeinto-Management.

Angela Street, Special Recognition - Management.

Sandra Mendieta, Special Reconnaissance - Administration.

Roxana Guardamino, Special Reconocimeinto - Administration.

The evening continued with the sharing of rich hot chocolate and Christmas cake to all present and then begin the Awards of Photo Contest "Identity and History of JRO".

Besides Christmas baskets were raffled , gifts for young children of workers and some surprise prizes as turkeys, panettone and a blender. And finally, Marcos Inoñán (keyboard), Romel Yaya (guitar) and Misael Porras (flute) joined us in singing carols and songs Andean as finale of party

Thus ended the year 2011 for the Jicamarca Radio Observatory, full of joy and feeling by which we are satisfied.
