## TRANSPORTATION

At the time you arrive Lima, a taxi driver will pick you up at the airport and take you to the place you chose to stay. Also, at the time you leave Lima a taxi driver will take you to the airport.

We provide transportation from several places around Lima (JRO vans stop "stations") to get to the Radio Observatory, from where we will take you and pick you up in our vans on workdays.

## WORKTIME AT JRO

Monday to Thursday from 07:50 to 17:50 LT. It is possible to come and work on Fridays but under special circumstances.

You will listen to an alarm at:

- 12:30 LT (for lunch and/or sport time starting)
- 13:00 LT (for sport time ending)
- 13:30 LT (for lunch time ending)
- 17:50 LT (for workday ending - all the JRO vans leave at 18:00 LT)

## SEMINARS AND TALKS AT JRO

You will be able to participate in talks of some scientist visitors, friends or workers of the JRO during your stay.

Also, during your first week at the JRO you will be requested to give a talk about your experience and the projects you have been working on previously, and the expectations you have about our program.

The last week at JRO you will give another talk about your experience working on JRO projects, living in Lima and Peru in general.

## TOURISM

At our Library you can find some touristic information, please feel free to ask for it anytime. Peruvian Independence Day is celebrated on July 28<sup>th</sup> and 29<sup>th</sup>, so you can spend those holidays traveling.

You can visit a variety of cities in Peru (places near the beach, the highlands, the rainforest, or even Machu Picchu!) during your free time on weekends. We can contact you with some travel agencies or help you to get the information that you need. Just ask us for further information or visit the following web sites:
